Dear Zu Puayen Tan,

Congratulations - your article [Analysis of Event-Based Camera's Potential for In-Flight Measurement on Hypersonic Test Vehicles](#) has been selected to appear in the [American Institute of Aeronautics and Astronautics \(AIAA\) Showcase](#) on **Kudos**.

This **free service** from the AIAA and Kudos will ensure your article **reaches more people** - not only academics, but also 1000s of influential researchers, policy makers, journalists and funders worldwide.

All you need to do is add a brief lay summary to your article profile page on Kudos, which will then be featured in the AIAA showcase.

Register here to add your article summary now:
